Action Items

A. 9:30 - Call to Order and Introductions – Committee Co-Chair

B. Floating Platforms follow-up

➤ Action Items:

- Add language to the updated letter that the coordination between TriMet and other government agency stakeholders needs to happen in beginning of the platform design process.
- Once edits to the letter have been made, send to the entire CAT committee for final approval.
- Once letter is approved by the committee, send to the Mayor and all Portland City Counselors

C. Wagons on vehicles

➤ Action Items:

- Create an ad hoc to further discuss wagons on vehicles and other large items that take up priority seating areas
- Eileen to investigate and provide info on how other transit agencies are working with wagons and other items in priority seating areas.

D. Open Committee Discussion

➤ **Action Items:**

- Presentation on the Outer Powell project requested and planned for the October subcommittee meeting

E. 11:00 - Meeting Adjourned
